Professional Textile Care

## Excellence Award 2010

In the CINET meeting of October 14th 2010 upon a unanimous decision of the CINET Board, the CINET Excellence Award 2010 has been given to

### *The E-Dry Clean Project*

Being the first European Project in Sustainable Professional Textile Care processing, providing 24 hours a day update E-learning training and expertise in best practice safe and sustainable working methods for the Professional Textile Care industry.

CINET expresses sincere gratitude for the professional work of all 15 European project partners and in particular E-Dryclean partner

#### ***European Chlorinated Solvent Association (ECSA)***

for this accomplishment and looks forward to a continuation of this partnership in the same spirit of excellence to update this E-Dryclean training annually in the future.

Milan, October 15<sup>th</sup> 2010

**Mr. D. Vanmeirhaeghe**

*President*

**Mr. P.N.M. Wennekes**

*Secretary-General*
