

APPROVAL CERTIFICATE

The Working Group Production, Storage and Transport Safety (GEST) of Euro Chlor, after examination of the documents listed in Appendix 1, declared that the valves manufactured by:

SENIOR AEROSPACE ERMETO S.A.S. Z.A. Euro Val de Loire - 8, Rue du Clos Thomas F - 41330 Fossé, France

As described hereafter:

- Are in accordance with the specification GEST 17/492 version 2.
- And are approved for use with dry gaseous chlorine and liquid chlorine for PN25 as pneumatic operated valves for use on road and rail tankers and iso-containers.

This Approval Certificate is given for the flanged angel valves and internal valves models:

- Any combination of angel valve R10250 or R12698 with one of the internal valves R9439 or R12699,
- Manufactured with dimension DN40 mm,
- According to PN40,
- And in accordance with the documents listed in Appendix 1, an original of which being filed by Euro Chlor.

Euro Chlor keeps the right to cancel this approval certificate in case of infringement of the prescription of the GEST specification 17/492.
